

detruire_liste_objet

```
graph LR; A[detruire_liste_objet] --> B[detruire_objet]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'detruire_liste_objet'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a red border and contains the text 'detruire_objet'.
