

charger_base_coffre

```
graph LR; A[charger_base_coffre] --> B[fermer_programme]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'charger_base_coffre'. The right box is white with a red border and contains the text 'fermer_programme'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
